

Pledge to Live *A Course in Miracles*

- ☀ I commit to living a life of non-judgment, releasing all opinions and other thoughts of separation, fear and suffering.
- ☀ I am devoted to being a loving and compassionate presence in my own life.
- ☀ I am willing to remember that Love is the only healer there is, and that Love is my true identity and the true identity of all beings.
- ☀ I actively recognize that I am One with ALL life.
- ☀ I intend to Seek the Kingdom within, knowing that ALL else will be added unto me.

"I encourage you to read the pledge aloud morning and night, and to keep it fresh before you in your awareness. The greatest gift we can give to the world is our moment by moment choice to live in alignment with Love, heart, mind and Spirit. Living this pledge together we are stronger in our commitment. We choose Love and unity, and all illusions of 'otherness' fall away. We are One, devoted to being the peace that we intend to experience in the world."
